power to prohibit manufacture of a drug and cosmetic in public interest, whenever a drug is found to be harmful or irrational. State Govts. do not have the power to ban any drug or warn the people against the use of drug. However, when a drug is found to be sub-standard on test, action like withdrawal of drug from market, suspension/cancellation of licence or prosecution is taken by the Sate Drugs Controller under the provisions of the Drugs and Cosmetics Act.

It is understood that some States are issuing press notes whenever action is taken on substandard reports and the substandard drugs are withdrawn from the market.
